

Application No. 09/734,973  
Amendment "A" dated June 28, 2004  
Reply to Office Action mailed March 26, 2004

**AMENDMENTS TO THE SPECIFICATION**

Please amend the paragraph beginning on line 9 of page 26 as follows:

Q' In communication with interface module 230 is stream module 232. Stream module 232 represents various applications that may be used to generate the enhanced programming content, whether such content is newly created by an author via interface module 230 or stored content retrieved from a data source. For example, stream module 232 may represent a dynamic link library (DLL) that generates the enhanced programming content in accordance with the schema of the present invention or otherwise manipulates stored enhanced programming content retrieved via interface module 230. ~~In another configuration~~
